It is the City Council's goal to maintain a balance of membership on its Boards and Committees based on race, gender, and City district residency. Generally, the City Council has set a goal to limit appointees to one appointed Board/Committee. However, when the need arises, Council may appoint members to additional special committees as deemed necessary by the Council. Resumes are not required as part of the application process but applications shall remain on file for two years after submittal in the Office of the Clerk.
