Recycle Center Open

We are very excited to announce that we have reopened our Recycling Center in order to sort, bale and sell our cities recyclable materials. Because our baler went down in August of 2015 we were forced to shut down the recycle center temporarily until we could replace the baling equipment. Now that we have reopened the center we have started this process up again.

Unfortunately, we have noticed that there is a lot of trash that is being put into the recycle carts and we will have to begin enforcement procedures. Because we are sorting the items at our center, we now will know which streets are generating clean recyclable items and which streets are putting trash in their recycle carts. This will result in us monitoring some streets more closely in order to educate and encourage everyone to recycle.

We have an ordinance in place that will enable us to charge fines if the problem continues, but we are optimistic that education and encouragement will solve the issue.

If you have any questions about what items are recyclable, please do not hesitate to call our Public Works team at 910-276-2364.

Annual Tree Give Away Program

Would you like to have an Red Crepe Myrtle, Sugar Maple, Tulip Poplar, Weeping Willow or a Saw Tooth Oak tree planted on your property? If so, and you live inside the city limits, this may be the program for you. The City of Laurinburg Beautification Department will be taking orders during October 10-14. If you would like a tree to be planted on your property, simply call us and let us know which tree you would like. We will give you a flag to put on your property at a location visible from the street. At a later date in November, we will come back and plant the type of tree you chose.

Because this is such a popular program, we can only give 2 trees per customer each year with a limit of 4 trees per lifetime. Also, we ask that you do not call before October 10th, as we are unable to take pre-orders.

If you would like to take part in this years "Annual Tree Give Away Program", please call the Beautification Department at 910-276-8257 during the week of October 10-14, 2016 from 8:00-5:00pm.

Leaf Season is Here

With the fall comes the increased volume of leaves that will be collected by the City of Laurinburg Sanitation department. As a reminder, leaves are collected loose at the curb by City vacuum trucks.

Therefore, it is very important to keep leaves separated from all other types of debris year round. Please **DO NOT** rake your leaves into the street, over storm drain or near storm drain, **DO NOT** put leaves in any type of container (must be loose), and **ALWAYS** place leaves in an easily accessible area away from vehicles or other obstructions.

The timeliness of collection will depend on the volume of leaves set out for collection. During peak times, collection intervals could be as high as three (3) weeks.

Thank you for your cooperation and patience.
