Manager's Message

July marks the beginning of a new fiscal year for the City of Laurinburg and should prove to bring some excitement to our Community.

As of July 1, 2018 Laurinburg has become a designated Main Street Community by NC Commerce. This designation will assist with our downtown revitalization efforts by offering technical assistance, locating funds, grant writing, training, revitalization planning, and so much more. Downtown Laurinburg is full of historic characteristics and genuine people that want to see our community grow and thrive.

We would like to invite everyone to the City of Laurinburg's Firework Show on July 4th at Pate Stadium. The show will begin around 9:00 p.m.

(depending on the darkness) and should last for thirty to thirty-five minutes. Gates will open at 7:00 p.m. and concessions will be made available inside the stadium by the Scotland High School Band Booster Club.

Finally please put Friday, August 10th on your calendars to close out the summer and the Chamber of Commerce's Laurinburg After 5 series with a bang. Jim Quick and Coastline will be back home to entertain everyone that evening on Main Street in Historic Downtown Laurinburg.

Sincerely,
Charles D Nichols III
City Manager

The City of Laurinburg now collects all the following items in the curbside recycling program:

Newspaper; Aluminum Cans; Steel Cans; All plastic containers with #1 - #7 on bottom (does not include Styrofoam); Magazines; Mixed office and computer paper; Cardboard; Clear, Brown, and Green glass bottles; Used Motor Oil (secured in a plastic bottle with a tight cap and placed beside the recycling cart); Used Cooking Oil (secured in a plastic bottle with a tight cap and placed beside the recycling cart)

Other Solid Waste Collection Schedules:

Corrugated cardboard is collected every other week along with other recyclables. Please flatten your cardboard boxes and place inside or next to your recycling cart on your scheduled recycling collection day.

Yard Waste is collected as often as possible with a goal of one pickup per week. It is not assigned to any particular day as the trucks just get as far as they can each day. Please separate all yard waste into two separate piles, one containing limbs, shrubbery clippings, and/or pine cones, and the other containing leaves and/or grass clippings. The City does not pick up any limbs, logs, stumps, or mulch from tree removal.

Bulky Items are collected weekly on the same day of the week as household garbage. Please place your bulky items at the curb on the same day that you place your roll-out cart at the curb for collection. Bulky items includes all large trash items that can't fit in your cart, such as furniture, white goods (appliances), television sets, large toys such as bicycles and swing sets, lawn equipment, and used tires. The City does not collect building materials resulting from construction, demolition, remodeling, or repair work.

Bulky items may not be placed at the street more than 24 hours prior to your scheduled collection day.
