Mayor's Message

The City of Laurinburg, established in 1887, begins a new era on July 1, 2013. On that day, Charles D. Nichols, III will become our City Manager. This event signals a new beginning and renewal for our City. The youthfulness of this position establishes the belief that the City is an inviting opportunity for young professionals. This is a progressive move that signifies the City's effort to always be proactive and forward-looking in its approach.

Charles brings to the City an extensive financial background from his prior position of Finance Officer for Scotland County. Charles is a native of Laurinburg and a graduate of NC State and UNC-P. He and his wife Melanie are expecting their first child in September.

I, as well as Councilmembers, have high expectations for Charles. Please welcome him to the City by sharing your support as well as your ideas.

Sincerely,

Thomas W. Parker, III
Mayor

The City of Laurinburg now collects all the following items in the curbside recycling program:

Newspaper; Aluminum Cans; Steel Cans; All plastics with #1 - #7 on bottom (does not include styrofoam); Magazines; Mixed office and computer paper; Corrugated Cardboard; Clear, Brown, and Green glass bottles; Used Oil (secured in a plastic bottle with a tight cap and placed **beside** the recycling cart)

Other Solid Waste Collection Schedules:

Corrugated cardboard is collected every other week along with other recyclables. Please flatten your cardboard boxes and place inside or next to your recycling bin on your scheduled recycling collection day.

Yard Waste is collected as often as possible with a goal of one pickup per week. It is not assigned to any particular day as the trucks just get as far as they can each day. Please separate all yard waste into two separate piles, one containing limbs, shrubbery clippings, and/or pine cones, and the other containing leaves and/or grass clippings.

Bulky Items are collected weekly on the same day of the week as household garbage. Please place your bulky items at the curb on the same day that you place your roll-out cart at the curb for collection. Bulky items includes all large trash items that can't fit in your cart, such as furniture, white goods (appliances), television sets, large toys such as bicycles and swing sets, lawn equipment, and used tires. The City does not collect building materials resulting from construction, demolition, remodeling, or repair work.
Bulky items may not be placed at the street for more than 24 hours prior to your scheduled collection day.
