## We're Moving...

City staff located in the Administrative Building at 203 Atkinson Street and in the Municipal Building located at 303 West Church Street will be re-located to the New City Hall & Police Department facility, beginning on Monday, April 29<sup>th</sup>, 2019. The address for the new building will be 303 West Church Street. The offices or departments affected include the City Manager, City Clerk, Human Resources, Community Development, GIS/Cemetery, Planning/Zoning, Beautification, Finance, Consumer Billing, and Police.

While these city offices will begin operating out of the new facility, please continue to be aware of construction activities that will be ongoing until the project is complete, to include the demolition of the old municipal building, and the

completion of the parking, drive-thru lane, and landscaping. Customers and residents conducting business with the City will be able to park in the new, but unfinished parking area and walk by the new drive-thru window to the front of the building to enter. Those that need wheelchair access can continue to park on Everett Street and use the sidewalk along Church Street to the front of the new building to enter. Please do not drive up to the new drive-thru window as it will remain closed until the entire project is complete.

We appreciate everyone's patience and understanding as we continue to work through this transition with you.

City Manager

## Annual Consumer Confidence Report

The City of Laurinburg is pleased to present, this year's Consumer Confidence Report for NC PWSID #03-08-010.

*"We at the City of Laurinburg Water Department work around the clock to provide top quality water to every tap,"* said Robert Ellis, Director of Water and Wastewater Treatment Plants.

This year we are reporting to our consumer's via URL. This is a direct link for our Consumer Confidence Report, a report of the quality of our water. The URL address is:
