Do Not Bag Your Recyclables

The Laurinburg City Council recently approved amending the Schedule of Fees to include a “Recycling Container Contamination” civil penalty to properties that aren’t using the recycling carts correctly and cross-contaminating items. The City began inspecting carts and leaving door hangers on February 22nd explaining any found violations and providing information on what is acceptable in the recycling containers.

During the first round of inspections, the City left 674 notices that will serve as a first warning. We encourage anyone who received a notice to call the Public Works office at 910-276-2364, if they have any questions, so that staff can provide information on what to put in the recycling container and what to put in the garbage container. Our goal is to encourage everyone to recycle correctly so that our sorting operation at the City Recycling Center can run smoothly and effectively.

If a first notice has been issued and the resident continues to put garbage in the recycling cart, staff will have to issue a second notice and remove the cart from the property. Once a $50 civil penalty is then paid, the resident can request the cart to be returned if they intend to recycle correctly.

Calendar of Events

City Council Regular Monthly Meetings
City Council Chambers
April 20, May 18, June 15
7:00 pm

Spring Litter Sweep
April 19 – April 24, 2021

All solid waste routes for that Monday will be picked up on Tuesday along with the Tuesday route.

Annual Consumer Confidence Report

The City of Laurinburg is pleased to present this year’s Consumer Confidence Report for NC PWSID# 03-83-010.

“We at the City of Laurinburg Water Department work around the clock to provide top quality water to every tap” said Dixon Medlin, Director of Water and Wastewater Treatment Plants.

This year we are reporting to our consumer’s via URL. This is a direct link for our Consumer Confidence Report, a report of the quality of our water. The URL address is: https://www.laurinburg.org/wp-content/uploads/2021/03/CCR-2020.pdf

You can also access this report at the City of Laurinburg’s web page, www.laurinburg.org under Departments/Water/Wastewater. A hard copy can be obtained by calling the water plant at 910-277-0214 or by stopping by the water plant at 603 Lauchwood Drive.

We ask all our customers to help protect our water sources, which are the heart of our community, our way of life and our children’s future.
