Message from City Manager

Summertime is upon us in the City of Laurinburg. The temperature has warmed up, the grass is turning green, and the Community is starting to open back up with restrictions being lifted by the Governor.

During this time, the City of Laurinburg has met National Accreditation through Main Street America yet again for 2021! (Learn more about this at mainstreet.org)

You may ask, what does this have to do with summer? Meeting National Accreditation means that our program must continue to push forward and stay focused on revitalizing our historic downtown. A key aspect of our downtown efforts is to attract as many people to downtown as possible. With this in mind, the City of Laurinburg and our partners have stepped up the number of events going on in our Community and specifically in Downtown Laurinburg this summer as well as the remainder of the year.

Please see some of the upcoming summer events below:

- ◆ Laurinburg After 5 – June 18th
- ◆ Farmer’s Market – June 20th
- ◆ Laurinburg After 5 – July 23rd
- ◆ Christmas in July – Held throughout July with final celebration on July 23rd as part of Laurinburg After 5
- ◆ Laurinburg Together – Community Festival and Back to School Celebration – August 28th

* August 28th event will include Farmers Market, Sidewalk Sales, Food Trucks, Laurinburg After 5 and much more! Be sure to check out downtown.laurinburg.org for full details on Downtown Laurinburg events.

There is always something to do in Downtown Laurinburg. While you are downtown for all of the events, be sure to check out the new hanging flower baskets and an all new lineup of sculptures in the Art Garden. Downtown Laurinburg is truly becoming the hub of our Community and the Downtown you should know!

Sincerely,
Charles D Nichols III
City Manager

CITY OF LAURINBURG

Bi-Weekly Recycling Schedule

2021 - 2022

The City of Laurinburg collects residential curbside recyclable materials on a bi-weekly collection schedule. Each residence is assigned to either the **GREEN** or **RED** recycling route. This determines which week recyclables are collected according to the schedule below.

The recyclables will still be collected on the same day of the week as garbage. For example, if garbage collection day is on Monday, then recyclables collection will be every other Monday.

RED	JUNE 21 - 24	RED	OCT 25 - 28	RED	FEB 28 - 3
GREEN	JUNE 28 - JULY 1	GREEN	NOV 1 - 4	GREEN	MARCH 7 - 10

The City of Laurinburg now collects all the following items in the curbside recycling program:

Newspaper; Aluminum Cans; Steel Cans; All plastic containers with #1 or #2 on bottom (does not include Styrofoam); Corrugated Cardboard; Clear, Brown, and Green glass bottles; Used Motor Oil (secured in a plastic bottle with a tight cap and placed beside the recycling cart); Used Cooking Oil (secured in a plastic bottle with a tight cap and placed beside the recycling cart)

Other Solid Waste Collection Schedules:

Corrugated cardboard is collected every other week along with other recyclables. Please flatten your cardboard boxes and place inside or next to your recycling cart on your scheduled recycling collection day.

Yard Waste is collected as often as possible. It is not assigned to any particular day as the trucks just get as far as they can each day. Please separate all yard waste into two separate piles, one containing limbs, shrubbery clippings, and/or pine cones, and the other containing leaves and/or grass clippings. The City does not pick up any limbs, logs, stumps, or mulch from tree removal.

Bulky Items are collected weekly on the same day of the week as household garbage. Please place your bulky items at the curb on the same day that you place your roll-out cart at the curb for collection. Bulky items includes all large trash items that can't fit in your cart, such as furniture, white goods (appliances), television sets, large toys such as bicycles and swing sets, lawn equipment, and used tires. The City does not collect building materials resulting from construction, demolition, remodeling, or repair work.

Bulky items may not be placed at the street more than 24 hours prior to your scheduled collection day.
