## Bi-Weekly Recycling Schedule

2021 - 2022

The City of Laurinburg collects residential curbside recyclable materials on a bi-weekly collection schedule. Each residence is assigned to either the **GREEN** or **RED** recycling route. This determines which week recyclables are collected according to the schedule below.

The recyclables will still be collected on the same day of the week as garbage. For example, if garbage collection day is on Monday, then recyclables collection will be every other Monday.

### The City of Laurinburg now collects all the following items in the curbside recycling program:

Newspaper; Aluminum Cans; Steel Cans; All plastic containers with #1 or #2 on bottom (does not include Styrofoam); Corrugated Cardboard; Clear, Brown, and Green glass bottles; Used Motor Oil (secured in a plastic bottle with a tight cap and placed beside the recycling cart); Used Cooking Oil (secured in a plastic bottle with a tight cap and placed beside the recycling cart)

#### **Other Solid Waste Collection Schedules:**

**Corrugated cardboard** is collected every other week along with other recyclables. Please flatten your cardboard boxes and place inside or next to your recycling cart on your scheduled recycling collection day.

**Yard Waste** is collected as often as possible. It is not assigned to any particular day as the trucks just get as far as they can each day. Please separate all yard waste into two separate piles, one containing limbs, shrubbery clippings, and/or pine cones, and the other containing leaves and/or grass clippings. The City does not pick up any limbs, logs, stumps, or mulch from tree removal.

**Bulky Items** are collected weekly on the same day of the week as household garbage. Please place your bulky items at the curb on the same day that you place your roll-out cart at the curb for collection. Bulky items includes all large trash items that can't fit in your cart, such as furniture, white goods (appliances), television sets, large toys such as bicycles and swing sets, lawn equipment, and used tires. The City does not collect building materials resulting from construction, demolition, remodeling, or repair work.

Bulky items may not be placed at the street more than 24 hours prior to your scheduled collection day.
