

**ORDINANCE NO. O-2022-03**

**AMENDMENT TO CITY OF LAURINBURG  
FIBER OPTIC SERVICES AND RATES (ORDINANCE NO. O-2013-30)**

**WHEREAS**, The City of Laurinburg Fiber Optic Services and Rates (Ordinance No. 2013-30) established said Fiber Optic Services and Rates; and

**WHEREAS**, Ordinance No. O-2019-22 amended Fiber Optic Rates; and

**WHEREAS**, in order to be competitive with other providers, The City of Laurinburg Fiber Optic Rates need to be revised accordingly.

**NOW, THEREFORE, BE IT ORDAINED** that The City of Laurinburg Optic Services and Rates (Ordinance No. 2013-30) is hereby amended by deleting Exhibit A of Ordinance No. O-2013-30 and replacing it with Exhibit A attached to an incorporated in this document.

This ordinance shall be in full force and effect on and after the date of its adoption.

**ADOPTED** the 18<sup>th</sup> day of January, 2022.

---

James T. Willis, Mayor

---

Jennifer A. Tippet, City Clerk

**EXHIBIT A**

**CITY OF LAURINBURG  
FIBER OPTIC SERVICES AND RATES**

**Item 1. Dark Fiber Monthly Lease:**

Dedicated Dark fiber strands inclusive of all maintenance requirements to maintain the fiber (but does not include any optoelectronics).

| <u>Term of Agreement</u>   | <u>1 Year</u> | <u>3 Year</u> | <u>5 Year</u> |
|--|---------------|---------------|---------------|
| MRC per fiber per mile per/month   | \$ 43.00      | \$ 39.50      | \$ 36.00      |
| Annualized cost=per fiber mile per/month x per strand x either 1, 3, or 5 year plans= Annual cost. |               |               |               |

Term cost= per fiber mile per/month x per strand x either 1, 3, or 5 year plans = Term cost

Additional charges for maintenance and equipment charges per individual customer contract.

Note: Terms & Conditions for each customer will be optional, negotiated in contract executed by both parties after services are rendered.

Contract will have variable options pending on chosen service and term of contract.

**Item 2. Dark Fiber IRU' – 20Y -Indefeasible Right of Use (IRU)**

NRC \$/Strand/Mile \$1,500.00  
X Miles X Number OF  
STRANDS=TOTAL

Annual \$/Path Mile \$300.00  
Annual \$ Network Main X  
NUMBER OF PATH MILES  
= TOTAL ANNUAL COST

Term/Maintenance Annual/Network Main X 20 Years

IRU Total \$

Dark Lease fiber maintenance provided by City of Laurinburg complete package maintenance contract.

Additional charges for maintenance and equipment charges per individual customer contract.

Note: Terms & Conditions for each customer will be optional, negotiated in contract executed by both parties after services are rendered.

Contract will have variable options pending on chosen service and term of contract.

**Item 3. Layer II Lit Services (PTP Lit):**

Dedicated protected "fault tolerant" Lit Service and inclusive of all monitoring and maintenance required to maintain continuous connectivity including all required optoelectronics; with provisions for either optical or electrical Layer II handoff at client's preference.

Dedicated Metro Ethernet Layer II Lit Services as follows:

| <u>Term of Agreement</u>                  | <u>1 Year</u> | <u>3 Years</u> | <u>5 Years</u> |
|---|---------------|----------------|----------------|
| <sup>1</sup> NRC optoelectronics per node | \$1,825.00    | N/A            | N/A            |
| <sup>2</sup> MRC 100 Meg per/month        | \$ 650.00     | \$ 550.00      | \$405.00       |
| <sup>2</sup> MRC 1 GIG per/month          | \$1,500.00    | \$1,200.00     | \$850.00       |

<sup>1</sup>NRC - Non Recurring Cost per node

<sup>2</sup>MRC - Monthly Recurring Cost per node

Additional charges for maintenance and equipment charges per individual customer contract.

Note: Terms & Conditions for each customer will be optional, negotiated in contract executed by both parties after services are rendered.

Contract will have variable options pending on chosen service and term of contract.

**Item 4. Symmetric Internet Service (Internet):**

| <u>MEG</u> | <u>MtM</u> | <u>1 Year</u> | <u>3 Years</u> |
|------------|------------|---------------|----------------|
| 100        | ICB        | \$205.00      | \$185.00       |
| 200        | ICB        | \$360.00      | \$325.00       |
| 500        | ICB        | \$645.00      | \$600.00       |
| 1000       | ICB        | \$1,200.00    | \$1,000.00     |

Note: Terms and Conditions for each customer's service will be established by written contract executed by both City of Laurinburg and Customer prior to City's provisioning of services.

Contract will be comprised of one or more options depending on services and item of contract chosen by Customer. Attending charges in Customer's Service Agreement shall include charges for maintenance and equipment if so required to deliver service requested.

Note: Current Customers with less than 100 megs on the date of adoption of these rates will continue with the rates according to the Customer's Service Agreement UNLESS the Customer wishes to move to new rate and service.

**Item 5. Non Recurring Costs (Installation):**

| <u>Description</u> | <u>Costs</u>                                       |
|--------------------|--|
| Labor & Equipment  | \$1,500 per access point                           |
| Cable & Material   | \$8/ft of installation for any project over 300 ft |

\*Non recurring cost can be paid in one lump sum or amortized over the life of the agreement\*
